

Manual Test Plan—Scrabble Board Week 1

The screen below represents the initialized game board at the start of the game. The player has his/her initial tiles displayed at the bottom of the board. At the side of the screen, the player can view the opponent (the computer) score, click on a player guide drop down menu which explains the rules of Scrabble and layout of the board, click on a game options drop down menu which allows the player to select to end the game, challenge the opponent, etc, view the total score over all the games played, view the number of tiles left in the bag, and view their own score.
